Week: January 21 - 24, 2020

This week, we will be reading a biography about Martin Luther King Jr. We will be learning a lot of information on this influential man's life. Non-fiction books are often more difficult, so feel free to read a little bit each night for extra practice, instead of the whole story in one night. On Friday, students will take a written assessment over the biography. We will continue to cruise right along in chapter 5 in our math book as well.
