Week: January 27 - 31, 2020

Over the next two weeks, your child will be reading one of four short chapter books. Please take very good care of the book and make sure it is returned each day! Rather than a written assessment at the end of next week, students will be completing a short book report over the book which will be graded. In math, we are finishing up chapter 5 and will take our test on Wednesday.
