Week: February 24 - 28, 2020

It's finally Dr. Seuss Week! In honor of his birthday, we will be reading a biography about Dr. Seuss this week. It will be interesting for the students to learn about the life of the author who we know and love! We will focus on the idea that a biography is a non-fiction book about a person's life. On Friday, a written assessment will be given over the story. We will also be finishing chapter 6 in our math book and taking our test this week!
