Week: October 21 - 25, 2019

This week, your child will be bringing home a leveled story. This may not be on your child's exact level (we are finishing up our A-Z assessments this week), but we will be spending a great deal of time throughout the week reading and completing many activities that go along with the story. Please be sure to return it each day! We are finishing up Chapter 2 in our math series this week as well. Our math test will be on Thursday, so there will only be one night of math homework this week.
