Welcome to second grade! I am excited to have you in class. In an effort to save paper, following this newsletter ALL future homework sheets will come to you via e-mail and be posted on my web page. Every Friday (or last day of the week), I will send out the homework sheet informing you of what we are learning, important upcoming events, and your child's homework for the week. This is also in case anyone likes to plan ahead or know what to expect for the following week!

I sent this homework sheet out via e-mail as a test. If you DID NOT get this, please let me know ASAP in an e-mail or a note in your child's folder.
