We are getting into the swing of second grade and working hard to “master” our reading and math centers. This week, your child will once again be bringing home an A-Z story. Again, to ease into second grade, all students will have the same story, *The Monster Pumpkins* to practice throughout the week. Please return the story each day. It will be a responsibility mark if the book is not returned daily because we do not have any extras to borrow. On Friday, there will be a written assessment over the story.

Math homework will continue to come home on Tuesdays and Thursdays.
