We will once again treat this as a four-day week due to our field trip to the apple orchard on Friday! All students will have the same story, *Apples* to get us ready for our special adventure. Please return the book daily so that we can read and complete fun apple activities throughout the week. On Thursday, students will take both our Foundations quick check and reading test. In math, we are finishing up chapter 1 in our math book. Our test will be on Wednesday. A review will be coming home on Tuesday evening.
